Resolution to issue performance shares to the Company's CEO (item 10)

The board of directors has resolved that the Company's CEO, Mitchell Vanderydt, shall be granted, in accordance with his employment contract, a performance share award corresponding to 75 percent of his gross salary received during the financial year 2021. According to the CEO's employment contract, the number of shares granted under the performance share plan shall be based on the volume weighted average price (VWAP) of the Company's shares during the last 10 trading days prior to the publication of the notice for the Annual General Meeting. Accordingly, the board of directors has resolved that Mitchell Vanderydt shall be granted 13,963 shares as a performance share award. One third of these performance shares are proposed to be issued this year. Thus, a new issue of 4,654 shares will be subject to the approval of the Annual General Meeting. The remaining two thirds of the performance shares are intended to be issued in 2023 and 2024, respectively, of which one third is intended to be submitted to the Annual General Meeting for approval in 2023 and one third is intended to be submitted to the Annual General Meeting for approval in 2024.

To execute the delivery of 4,654 performance shares the board of directors proposes that the Annual General Meeting resolves on a directed issue of shares on the following terms.

1. The board of directors proposes that the Annual General Meeting resolves to carry out a new issue of shares, with deviation from the shareholders' pre-emptive rights, of not more than 4,654 shares, entailing an increase in the share capital of not more than SEK 327.745559. The reason for the deviation from the shareholders' pre-emptive rights is to reward the CEO's performance based on established performance targets.
2. The right to subscribe for the shares shall vest in the Company's CEO, Mitchell Vanderydt.
3. A total amount of SEK 327.75 shall be paid for all shares, corresponding to approximately SEK 0.07 per new share, which is the quota value of the shares. The subscription price has been determined in accordance with the performance share plan, which is structured to reward the CEO based on objective performance targets and thus align the interests of the CEO with the interests of the shareholders.
4. Subscription through payment for the newly issued shares shall take place within three weeks of the date of the resolution to issue the new shares.
5. The board of directors shall be entitled to extend the subscription / payment period.

6. The new shares entitle the holder to a dividend for the first time on the record date for dividend that occurs immediately after the registration of the new share issue at the Swedish Companies Registration Office.
7. The board of directors or a person appointed by the board of directors shall be authorised to make any minor adjustments required to register the resolution with the Swedish Companies Registration Office or Euroclear Sweden AB.

The resolution requires support by shareholders holding not less than nine tenths of both the votes cast and of the shares represented at the Annual General Meeting.

Authorisation for the board of directors to resolve on new issues (item 11)

The board of directors proposes that the Annual General Meeting resolves to authorise the board of directors to, on one or several occasions until the next Annual General Meeting, with or without deviation from the shareholders' pre-emptive rights, against payment in cash, non-cash consideration or through set-off, resolve on new issues of shares, convertibles or warrants corresponding to 20 percent of the total number of shares in the Company as of the date of the Annual General Meeting 2022.

The board of directors or the CEO shall have the right to make the minor adjustments in this resolution that may be necessary in connection with registration of the resolution with the Swedish Companies Registration Office.

A valid resolution requires the support of shareholders who represent at least two-thirds of both the votes cast and the shares represented at the Annual General Meeting.
